Annual Spring Auction

Enfield Montessori School

Dear Patron,

Enfield Montessori School will be hosting its annual parent auction on Saturday, March 3, 2012 at Suffield Academy in Suffield, CT. If you would like to place an advertisement or personal message to a special person in our auction program, we would love your support! The program will be provided with each bidder number on the night of the event. We are expecting approximately 300 guests. For businesses, this is a great, inexpensive way to get exposure in the community while helping support a local school.
