

Family Responsibilities for the Auction

Each EMS family has two requirements for the auction: a donation and purchasing event tickets.

Donations

Each family is required to donate one of the following:

- goods or services valued at \$100 or more
- goods or services (which you've solicited) from businesses valued at \$300 or more
- \$100 towards the cost of a gift or the event

Event Tickets

Families are also expected to purchase at least two auction tickets, valued at \$30 per ticket. These will become available for purchase in January.

Please note that families are also asked—though not required—to sell ten raffle tickets, valued at \$10 per ticket. These will be distributed to you in January.

These are the basic expectations of all families, though in reality, EMS families give much more, particularly in the form of volunteerism for the event.

Volunteering Opportunities

The following areas represent opportunities for parent volunteerism. If willing and interested, please let Elise know as soon as possible. Your time here can count toward your service hours for the school.
